

# AN EVENING WITH LIZ WIGGINS

Thursday 20 April, 6.30pm  
Books, lower ground

Change is all around us, at work and in our home lives. It's sometimes hard knowing how best to respond. We'd love you to join us for a fascinating evening in the company of local author, Liz Wiggins.

'Relational Change' offers a refreshingly new and human way of understanding change and organizations. It encourages us to pay closer attention to personal interactions and relationships, instead of the normal rhetoric of top down, mechanistic change. The style is readable and accessible and the book's packed full of practical ideas and wisdom that are equally relevant for you at work and you at home.

In conjunction with Jarrold Training

**Tickets £5, available from Customer services, floor 2 or [jarrold.co.uk](http://jarrold.co.uk)**
